Figma, Canva, HTML & CSS

Art Director & Marketing Manager Main Street Auto (January 2025-July 2025)

- Led creative direction for complete rebrand from Northern Rock to Main Street Auto, shaping new identity for fast-growing startup's 95+ locations with \$150M+ in annual revenue.
- Partnered with Chief Marketing & Growth Officer to shape marketing strategy, using performance data to steer creative direction.
- Directed creative rebrand for select Main Street Auto locations, unifying storefronts with new paint palettes, layouts, and store signage.
- Drove online growth by helping redesign and relaunch company website — taking online appointment revenue from almost nothing to several million dollars.
- Designed and executed high-performing direct mail campaigns, generating \$6.50 in gross profit for every \$1 spent within the first year.
- Managed creative rollout of NASCAR sponsorship, including driver suit design, trading cards, and multimedia content from interviews to photoshoots.

Marketing Specialist Main Street Auto (January 2024 - January 2025)

- Built and managed brand's social media presence across Facebook, LinkedIn, Instagram, and YouTube — helping Main Street Auto rank among the top 5 in engagement out of nation's 20 largest auto repair brands.
- Designed in-store and print assets for 95+ locations, reinforcing visual consistency and brand identity across multiple touchpoints.
- Captured and curated thousands of original assets — photo, video, and audio — to support storytelling across digital, print, and in-store campaigns.

Head of Concept, Co-Head of Marketing David Yurman x SCADpro (March 2023 - August 2023)

- Selected for a position on highly competitive "SCADpro" team that David Yurman hired to design their 2023 holiday campaign.
- Elected by class and professors for leadership role as Head of Concept and as Co-Head of Marketing to align storytelling-driven content across all campaign touchpoints.
- Directed cross-functional team of creatives, balancing bold ideas with brand's timeless aesthetic.
- Led creative concept for 60-second holiday film, including through serving as art director for extended-reality stage (XR stage) film shoot and managing visual cohesion, production details, and overall look and feel.

Digital Design Internship LAKE Pajamas (2022-2023)

- Assisted Head of Digital Marketing of LAKE Pajamas, a leading luxury pajamas retailer, with design tasks and experienced the importance of brand guidelines, brand voice, and storytelling.
- Created visual content for SMS and email campaigns, combining design and copy for high engagement.
- Conducted competitor research to support ongoing digital strategy improvements.
- Edited and optimized brand imagery for web, email, and social — maintaining a cohesive, polished look across platforms. Improved organization of creative assets, streamlining access and boosting team efficiency.
