

# TYPOGRAPHY

Typography plays a crucial role in expressing the brand's bold and accessible personality. The type system was built to be clear and readable in high-traffic environments, while maintaining a strong, recognizable presence across print and digital media.

**WE'VE GOT YOUR BACK.**

We stand by your work.

# COLOR PALETTE

The color palette was designed to embody Main Street Auto's approachable yet confident identity. Strong, energetic reds paired with clean neutrals create visual impact, while supporting tones add depth and flexibility across various applications.
